

The Spring Valley Public Library will be collecting plastic bottle tops until next summer! We would love your rinsed clean and free from sticky stuff tops. We cannot use the shorter ones from certain bottles of water, they are not tall enough. But, we can use all you have as we prepare for an AWESOME art project for our summer reading program!

For questions please contact Jenny Simon at jsimon@selco.info or

507-346-2100

Drop off at 121 West Jefferson Street or call for pickup. Thanks!
